SENATE BILL

No. 1630

Introduced by Senator Polanco

February 20, 1996

~~An act to add Section 7704 to the Family Code, to amend An act to amend Sections 980 and 1196 of, and to add Section 1276.6 to, the Penal Code, relating to criminal procedure.~~

LEGISLATIVE COUNSEL'S DIGEST

SB 1630, as amended, Polanco. Criminal procedure: bench warrants: ~~bail bonds~~.

(1) Existing law requires a clerk, or judge or justice, to issue a bench warrant on application of the prosecuting attorney whenever the defendant fails to appear in court as required by law or does not appear for judgment when his or her personal appearance is necessary.

This bill requires the clerk, or judge or justice, to issue the bench warrant without application of the prosecuting attorney, and to notify the Department of Justice to ~~obtain a Criminal Investigation and Identification (CII) number for each bench warrant issued and to~~ enter each bench warrant issued on a felony case into the national warrant system (National Crime Information Center (NCIC)). Because the bill would increase the duties of the clerk, the bill would impose a state-mandated local program.

(2) ~~Existing law authorizes the court to order the discharge of a defendant upon the acceptance of an undertaking of sufficient bail for the Existing law specifies persons who are authorized to approve and accept bail, including, but not~~

~~limited to, the officer in charge of a jail where an arrested person is held in custody, an employee of a sheriff's department or police department of a city who is assigned by the department to collect bail, and the clerk of the superior court in which the case against the defendant is pending.~~

~~This bill would require any person authorized to accept bail to collect a fee of \$10 for each bail bond posted. The bill would require all fees collected pursuant to this provision to be transmitted to the county clerk, who shall transmit the fees quarterly to the State Treasury. The bill would require \$8 of each bond posting fee to be deposited in the Childrens' Guardian Fund, to be appropriated as described in (3) below, and \$2 of each bond posting fee to be deposited in the Department of Justice Foreign Prosecutions Fund. All funds deposited in the Department of Justice Foreign Prosecutions Fund would be available, upon appropriation by the Legislature, for expenditure by the department for maintenance and support of the Foreign Prosecutions Unit of the department. Because the bill would increase the duties of local entities, the bill would impose a state-mandated local program.~~

~~This bill would create the Childrens' Guardian Fund. All funds deposited in the Childrens' Guardian Fund would be available, upon appropriation by the Legislature, for expenditure by the Office of the Childrens' Guardian, for the maintenance and support of the office.~~

~~(3) This bill would provide that the provisions described in (2) above shall become operative only if an unspecified bill is also enacted and becomes operative on or before January 1, 1997.~~

~~(5) By imposing the \$10 bail bond posting fee, this bill would result in a change in state taxes for the purpose of increasing state revenues within the meaning of Section 3 of Article XIII A of the California Constitution, and thus would require for passage the approval of $\frac{2}{3}$ of the membership of each house of the Legislature.~~

~~(6) The California Constitution requires the state to reimburse local agencies and school districts for certain costs mandated by the state. Statutory provisions establish procedures for making that reimbursement, including the~~

creation of a State Mandates Claims Fund to pay the costs of mandates that do not exceed \$1,000,000 statewide and other procedures for claims whose statewide costs exceed \$1,000,000.

This bill would provide that, if the Commission on State Mandates determines that the bill contains costs mandated by the state, reimbursement for those costs shall be made pursuant to these statutory provisions.

Vote: $\frac{2}{3}$ majority. Appropriation: no. Fiscal committee: yes. State-mandated local program: yes.
